

The 2018 BSAOCNC “MOTO MARIN”

*An enjoyable run reminiscent of Old Ed Meagor's long time hit
the Rallye de Milani.*

Saturday, May 12, 2018

8:30am We meet at 757 Lincoln Ave #27, San Rafael for pre ride bench racing and minitrail parking lot rally.

9:30am Set off on a route with a good mix of smooth straight-aways and twisties to delight!

First official break spot will be Point Reyes Station where we can refuel bikes and bodies.

The route will eventually take us to the Marin Rod and Gun Club, 2675 E Francisco Blvd., San Rafael. Lunch will be served and a no host bar is located on the premises. Cost yet to be determined as we are still figuring out the fare for lunch.

We will have a chase truck with a ramp, tie downs and enough room for 3-4 bikes and 6 passengers. If you end up in the chase truck please tip the driver. Last year I was the only rider that ended up in the chase truck!

Course maps will be provided; waivers will need to be signed. Pre-1975 bikes preferred!
