

Insurance

California state law requires that all motor vehicles be covered by liability insurance. (http://www.dmv.ca.gov/pubs/brochures/fast_facts/ffvr18.htm) Fortunately, that requirement is for all intents and purposes similar in all the 50 states, so insurance coverage issued in any state should suffice anywhere in the US. If you are stopped by California Law Enforcement personnel, you may be required to show proof of insurance, usually a card of form issued by your insurer.

For our overseas guests, short-term coverage can now be obtained through the “Green Card” system as used throughout Europe. Contact Gail Goodman at Motorcycle Express, gailg@motorcycle-express.com. Incidentally, they also offer motorcycle air freight to/from Europe.
